

Application

Accredited Business
Incubator ABI®

Overview / Instructions / Disclaimer

Overview

GInI, Global Innovation Institute, formally accredits **Business Incubators** capable of demonstrating world-class usage, management, and impact for their operating organizations.

GInI's **Business Incubator Accreditation** is an all-or-nothing, assessment-based accreditation.

For more information on GInI's **qualifying criteria** for Business Incubator Accreditation, and on the Business Incubator Accreditation **assessment process**, please refer to GInI's **Business Incubator Accreditation Guidebook**, available from GInI.

Instructions

The following application is to be completed in its entirety, in English. Proper names given in other languages should be indicated in their native language and an English translation provided if applicable.

There are three (3) parts to the application:

1. Date / Organization / Representative / ATAP®
2. The Business Incubator
3. Outcomes / Results / Impact.

If the applicant deems a certain portion of this application to be non-applicable to their submission, they should so indicate by writing "not applicable" or "none" in the space provided.

Everything disclosed in this application is classified as confidential between the applicant and Global Innovation Institute.

Disclaimer Concerning GInI Business Incubator Accreditation

GInI's accreditation of an organization's **Business Incubator** is not an accreditation of that organization in its entirety.

GInI reserves the right to accredit the Business Incubator of any organization without regard for their competitive status with other organizations whose Business Incubators GInI may have also accredited, or may accredit in the future.

About Global Innovation Institute

GInI, Global Innovation Institute, is the world's leading professional certification, business accreditation, and membership association in the field of applied business innovation.

The Institute exists to empower professionals to advance their careers in innovation leadership and to empower organizations to transform themselves into market-leading innovation powerhouses. The Institute does this through applied research and its globally-recognized standards, tools, publications, resources, professional development courses, and certifications. Together with numerous networking opportunities, these enable the Institute to elevate the field of applied business innovation to ever increasing levels.

Global Innovation Institute is an international organization operating globally in countries all over the world. Its headquarters are maintained in Grand Rapids, MI, USA, a region home to some of the world's most innovative organizations in industries like office furniture, medical devices, fashion footwear, consumer appliances, automotive, food & beverage, and packaged consumer goods. Grand Rapids is also home to ArtPrize, the world's most innovative juried art competition.
